It's A-Maze-ing

Junior Ranger Activity: Slide Rock is much more than a swim area; it's a nature preserve, an apple orchard, and more. All the features in the park are protected, so please do not disturb the wildlife or remove rocks or vegetation. In this activity, help the kids find their way down to Oak Creek. Along the way you will find three ways you can help to make sure the water will be clean and safe for everyone. Can you name them?

1. _____
2. _____
3. _____

Answers:
1. Use the restrooms, not the creek.
2. Pick up your trash.
3. Keep glass out of the park.
